Online Registration for HA2023 will close at 11:59pm ET on January 20, 2023. On-site same day registration will begin Thursday, January 26, at 8:00am.

### HA2023 Check Payment Policy

Check payments for conference registration fees should be mailed to Families USA, ATTN: Health Action Conference, 1225 New York Ave, NW Ste. 800, Washington, DC, 20005 and must be received within 15 days of registration. Unpaid registration fees will result in cancellation of registration. If you register to pay by check after Friday, January 6, 2023, you must email your proof of in-process payment (such as a check copy or an approved payment request document) to the registration manager at [HealthActionConference@FamiliesUSA.org](mailto:HealthActionConference@FamiliesUSA.org).

### HA2023 Cancellation and Refund Policy

Cancellation requests must be received on or before Friday, December 31, 2022. All cancellation requests must be made by email at [HealthActionConference@FamiliesUSA.org](mailto:HealthActionConference@FamiliesUSA.org). Conference registration fees will be refunded to the payee in the same manner as the original payment (less a \$25 processing fee) within 90 days. **After Friday, January 13, 2023, NO refunds will be issued. Refunds will NOT be issued for conference no-shows.**

Late cancellations and refunds are permitted in the case of illness or a Covid-19 diagnosis.

### HA2023 Transfer Policy

If you are unable to attend the conference and wish to transfer your registration to a substitute, you may do so at no charge by following the instructions on your registration confirmation notice or by contacting the registration manager by email at [HealthActionConference@FamiliesUSA.org](mailto:HealthActionConference@FamiliesUSA.org) by COB on Friday, January 13, 2023. If you wish to transfer your in-person ticket to a virtual ticket, you may follow the same directions.

Transfers to another attendee, or from an in-person ticket to a virtual ticket are permitted in the case of illness or a Covid-19 diagnosis.

### **HAC 2023 HEALTH & SAFETY GUIDELINES**

Hosting a safe event is our top priority as we return to Families USA's in-person Health Action Conference (HAC). As the spread of COVID-19 continues to be a significant risk for many, every in-person attendee is required to have their primary series of vaccinations, wear a mask, and provide proof of a negative COVID-19 test taken 48 hours prior to arrival at the conference venue. We will also provide optional stickers for attendees to communicate their choice of contact with others at the conference.

The Families USA team is continually monitoring COVID-19 spread and risk levels and will provide more updates as we get closer to the event. For questions or information about the HAC 2023 Health & Safety Policy, please contact us at [HealthActionConference@FamiliesUSA.org](mailto:HealthActionConference@FamiliesUSA.org).

### **HAC 2023 Health & Safety Policy**

The HAC 2023 Health & Safety Policy is subject to change, based on recommendations from the CDC, the World Health Organization and other state & local ordinances, including the COVID-19 Community Level where the event will take place; [click here](#) to learn more.

Prior to arrival, each in-person attendee, partner, exhibitor, representative, speaker, staff, vendor, volunteer, and any other person(s) officially participating in the event, will be required to submit verifiable documentation in compliance of the **HAC 2023 Health & Safety Policy**. Additional information about how to submit your documentation will be sent to you via email ahead of the event. Your documents must be received prior to your arrival onsite at the venue, and must match your government-issued identification.

### **Requirements To Attend**

To attend in-person, and retrieve their on-site conference credentials, attendees will be required to show **proof of COVID-19 vaccination, a negative COVID-19 test result taken within 48 hours of arrival**, and a valid, government issued ID.

### **Primary Series Of Vaccinations**

- The best protection against COVID-19 is vaccination. It is required that all meeting attendees (volunteer, staff, et. al) be up to date with their **primary series of COVID-19 vaccination doses**, ([click here for more information](#)).
- **We will accept the following as proof of vaccination:**
  - CDC issued vaccination card (or a photo of the card; must be front and back)
  - Digital vaccine record (e.g., vaccine passport app)

### **Negative COVID-19 Test Within 48 Hours Of Attendance**

- All participants, attendees and staff are required to provide evidence of a Negative COVID-19 test taken within forty-eight (48) hours of arrival.
- **Types of COVID-19 tests accepted by FUSA:**
  - Diagnostic tests
  - Molecular tests, also known as a PCR test
  - Antigen tests, commonly known as a "rapid test" or "at-home" or "self-test"

- **Test Result Timing:**
  - Your test must be taken within forty-eight (48) hours of your first arrival at the venue. You will not be required to test again on each consecutive day of the event.
  - Getting your test results back varies greatly by the type of test taken, company/provider, and/or laboratory performing the COVID-19 test. You should confirm your preferred communication method to receive your results when scheduling your test.

### **Masks Are Required In All Settings**

- The spread of COVID-19 continues to be a significant risk for many, regardless of age and other factors, and masks can help protect you and others from COVID-19.
- Regardless of vaccination status, **every attendee is required to wear a mask that is well-fitting and filters air well in all indoor public places. Examples of a proper mask include a well-fitting respirator (e.g., N95, KN95) or a double mask (a well-fitting cloth mask over a medical mask).**
- **You are allowed to take off your mask while you are:**
  - Actively eating or drinking.
  - Alone in a separate room or space.
  - Speaking during the event as a panelist, keynote, etc., only at the time of your speaking segment and/or when addressing the audience.
- **Note:** There are some attendees who should not wear a mask, such as children younger than 2, people with certain medical conditions or disabilities, and people instructed by their medical provider not to wear a mask. Children ages 2 to 8 should wear a mask only when under adult supervision.

### **Physical Distancing (Choice Of Contact)**

- FUSA will provide all attendees with their choice color coded badge designation (shown below) to represent each attendee's **choice of contact**:
  - Red – Greet from 6 feet
  - Yellow – Elbows, fist bumps and handshakes only
  - Green – Open to hugs
- The Hyatt Regency (event venue) has ample space to support appropriate distancing, if desired, during educational sessions, meals, and events. To learn about safety measures at the event hotel, please visit [Hyatt Global Care Center by clicking here](#).

### **General Hygiene Keeps Everyone Safe**

- We ask that you follow general precautionary practices, which include:
  - Shield your coughs or sneezes with a tissue, then throw the tissue in the trash; if a tissue is not available, use your sleeve.
  - Wash your hands regularly with soap and water, for at least 20 seconds.
  - Avoid touching your eyes, nose, and mouth.
  - Avoid close contact with people who are sick.
  - There will be hand sanitizer stations positioned throughout the event space. Please use them frequently.
  - Stay home if you are feeling ill.

### **Acknowledgment Of Risk**

By attending HAC 2023, You hereby acknowledge that participation in the event comes with inherent risks, including possible exposure to and infection with viruses such as COVID-19. You further acknowledge that FUSA/HAC will require proof of vaccination for such virus before participation at the Event. Finally, you acknowledge that additional information regarding health and safety requirements will be available at the Event, and FUSA reserves the right to implement screening measures or other health and safety measures depending on federal, state, or local requirements pertaining to the virus.

By attending HAC, you certify that you do not fall into any of the following categories:

- Individuals who currently or within the past fourteen (14) days (prior to attending the event) have experienced any symptoms associated with COVID-19, including fever, cough, and shortness of breath, among others; or
- Individuals who have traveled at any point in the past fourteen (14) days (prior to attending the event) either internationally or to a community in the U.S. that has experienced or is experiencing sustained community spread of COVID-19 and are not in compliance with current local and CDC Guidelines related to domestic and international travel, as updated <https://www.cdc.gov/coronavirus/2019-ncov/travelers/after-travel-precautions.html>;1 or
- Individuals who believe that they may have been exposed to a confirmed or suspected case of COVID-19 or who have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the health care team responsible for their treatment.

### **HAC Notice of Recording and Photography**

#### **Consent and Release**

By registering for Families USA's Health Action Conference, you consent to your voice, name and/or likeness being used, without compensation, in photography and audio/video recording for use in any and all media in perpetuity. You release Families USA, its employees, and each and all persons involved from any liability connected with the taking, recording, digitizing, or publication and use of images, video and/or audio recordings. You also waive any right to inspect or approve any photo, video, or audio recording taken by Families USA or the person or entity designated to do so by Families USA. You have been fully informed of your consent, waiver of liability, and release before entering the virtual event.

### **HAC Code of Conduct**

At the 2023 Health Action Conference, we want every participant to feel welcome, included, and safe. Moreover, we will do our best to accommodate specific needs such as accessibility. We expect all interactions between attendees to be respectful and constructive. The open exchange of ideas and the freedom of thought and expression are central to Families USA's aims and goals. This requires an environment that recognizes the inherent worth of every person and group, that fosters dignity, understanding, and mutual respect, and that embraces diversity. Failure to respect these guidelines will result in a detailed accounting of the event for record keeping. At the discretion of leadership, such behavior may also result in a ban of the attendee from continued attendance.
